Appointing

A very important duty devolves upon the Democracy of the city of Lonisville to-night. The members of the party assemble in their different wards and select delegates to attend the convention of the Flith district, to be held in Lagrange, next Wednesday, Angust Light, for the purpose of nominating a candilizath, for the purpose of nominating a candilizath, for the purpose of nominating a candilizath.

boards are in session without the causent of the other. Postponed until next meeting.

The convention proceeded to the consideration of the judichi department. Section dirst was adopted, as follows: The judichal power of the corporation shall be vested in, and exercised by, a court, styled the City Court of Louisville, which shall be held in a single Judge, to be elected and qualified and hold office as prescribed by law. Section two, defining the powers and duties of the City German and Louisville, which shall be held in a single Judge, to be elected and qualified and hold office as prescribed by law. Section two, defining the powers and duties of the City Father Chambray, of St. Mary's, officiated in the solemn services. These are the oldest the solemn services and lind watched the Court, was amended and adopted. Section three was adopted. It provides that the City Court of Louisville shall, according to the aws of this Commonwealth, have jurisdic-

creinafter provided.

Section five was adopted as follows: gates to the Congressional convention, to be held at Lagrange, August 12th. Let every Democrat by the word turn out, that there may be a reasing meeting, and

DEMOCRATIC MEETINGS TO NIGHT. IN MEMORIAM.

LOUISVILLE, KENTUCKY: SATURDAY MORNING, AUGUST 8, 1868.

past cight o'clock, President Morris in the chair.

The journal of the previous session was read and approved.

The first business in order was the consideration of the end of "the partiments of City Government," which provides for the meetings and adjournments of the General Council.

Mr. Buird offered an amendment, providing that the Council shall assemble in one week after their election, and shall meet at least once in every two weeks thereafter. They may take a recess from time to time, but not for a longer period time that the stalwart frame they may take a recess from time to time, but not for a longer period time that the stalwart frame they may take a recess from time to time, but not for a longer period time that the stalwart frame they hourly take a recess from time to time, but not for a longer period time that the stalwart frame they hourly a for the free from the stalk as the coller. Postponed until next meeting.

The convention proceeded to the consideration of the previous session was a control of the previous session was the consideration of the guideling had so often ministered, wore a some in every two weeks thereafter. They may take a recess from time to time, but not for a longer period time the week scentile may take a recess from time to time, but not for a longer period time the week thereafter. They may take a recess from time to time, but not for a longer period time the week thereafter. They may take a recess from time to time, but not for a longer period time the week thereafter. They may take a recess from time to time, but not for a longer period time the week thereafter. They may take a recess from time to time, but not for a longer period time them the stalk as the previous for a longer period time the week thereafter. They may take a recess from time to time, but not the culture. The convention proceeded to the consideration of the pulled in the cold embrace of the good warrior of the good warrior of the good warrior of the good warrior of the form the expectation of the good of

the solemn services. These are the oldest priests in the diocese, and had watched the course of Dr. Spaiding aimost from his inlaws of this Commonwealth, have jurished in und authority to issue writs of ad quod daminim, and have proceedings thereon as

the whole range of musical literature, was rendered most effectively by the choir. Prof. George Zoeller presided at the organ. As assistants in the musical services, there were present a large number of members of the Baptist and Episcopal choirs of the city. The music was grand and affecting beyond the power of description.

SERMON OF BISHOP LYNCH. The sermon was preached by the Right Rev. Bishop Lynch of Charleston, S. C., one Section five was adopted as follows:

The Indige of the 12 by Court of Louisville, Said Freedy ean annual stairty of \$4,000, may adde out of the treasury of the city of Louis is life qualifications of the city Court of Louisville, was adopted.

Section six, defining the qualifications of the city Court of Louisville, was adopted.

Section seven fixes the salary of elerk of the City Court at \$2,003, and allows him a deputy at a salary of \$1,200. Adopted.

The convention adjourned to meet again on Tuesday evening, the lifth lust.

At the conclusion of the serion the pathbearers, who were the oldest priests in the following is a list of manufacturers of todacco in the Fifth district, State of Kentucky.

Names.

\*\*The Ange of the 12 by Court of Louisville shall refer the salary of the city Court of Louisville as for the same specified the convention adjourned to meet again to Tuesday evening, the fifth hast.

conductors attired in the deepest mourning.

The PERSON CONTROL.

The sealing the heurse were the various Catholic societies of Louisville, marching on foot, their beautiful banners folded and clatter in mourning. These were the S. Josephis.

St. Martin's, S. Michael's, Sous of Erin, St. Anthony, St. Honliface, Italian, St. Peter's, St. Louis and St. Mary,

The procession was formed by M. A. Hilger, Chief Mirshal, assisted by the following able assistants: P. Bannon, John Mexteer, ti. Vanderhide, George Kitzero, Louis Weyd, H. H. Nicholas and Henry Wilben.

The members of the various societies were insight of their orders. In all they norm bered by actual count eight hundred and forty-six. They were accompanied by two brass bands, that spoke cloquently, In the imagings of nil mankind, the wee time all fell.

Immediately preceding the hearse were insight of the following of the image of the content of the line is morning.

The resoligation over yesterials and the tested have a possible, be equally distributed among the people, and not paid by a few.

The quarantine grounds at Staten Island were yesterially all and the powers and duries of the strict content of the day as possible, be equally distributed among the people, and not paid by a few.

The quarantine grounds at Staten Island were yesterially all and the powers and duries of the strict content of the duries of the same.

The quarantine grounds at Staten Island were yesterially all and the powers and duries of the strict were yesterially all and the few proves and others of the strict of the strict and the powers and duries of the strict were yesterially all and the powers and duries of the strict were yesterially all and the powers and duries of the strict were yesterially sold as the population of the day as possible, the debt should, as far as possible, be equally distributed among the people, and not paid by a few.

The quarantine grounds at Staten Island were yesterially all and the few.

The Almastrace trailing the day as possible, as it will enable Section 6 of the act of July 20th, 1885, is important to manufacturers of tobacco. It allows:

St. Martin's, S. Michael's, Sons of Erin, St. Anthony, St. Patrick, St. John's, St. Honfacc, Italian, St. Peter's, St. Louis and St. Marry.

Tuttle, who assisted her in the pursuit and capled by fourteen priests on foot. Then six capture of the silverware thief, on Thursday, she could not tail to remember.

Last evening she sent to the Watkins en-

for which the concert was given should have for the the charitable feature out of the question, the entertainments given by Mr. Fartuer are worthy the patronage of every lover of the muse. The concert last evening was perullarly attractive. The best amateur total in the cily contributed to its success. Mr. Farmer's flute solo was received with rapputures of appliance. Itlis "Last Rose of Summer" would not be forgotten in a century. He is a master of the dute, and its notes respond to his touch with a delicacy and pathox self-dom equaled—never surpassed. "Deep ln my Henrit," by Miss Fannie Baker, was a perfect geni, and was rupturonsly encored. All the amateurs were received with decided marks for approval, and some of them with enthals of approval and surprise of approval approval and surprise of approval approval approval approval approva otatiend a meeting at Miller's Hisil, on Green street, between Clay and Shellay, on Saturday evening, August Sili, al 8 o'clock, to select delegates to the Firth district Congressional convention, which meets at Lagrage on next wednesday, Angust 12th.

paper! Ay, as State after State falls do not wonder at its morality! It is sat-away, it may afford a melancholy spec-lshed with Grant who represents nothing

fax! And yet such is the prospect!

A Stratigant Fasture of the Times.

Then ngain the Herald don't like Sey-A significant Feature of the Times.

We shall await with interest the comments of the Eastern papers on tiov. Sevinour's letter of acceptance. Nothing turts the Radicals more than the fact that the Democracy have nominated as their candidate "the foremost man of the age," The Radicals have been accustomed for so many years to the idea that the lower down they got in the spirit of a revolutionist, every feature of Radical domination. He has placed himself squarely and plumply under them to work the idea that the lower down they got in the discussions of the revolutions of the r HAVS, ROBERT W. Autorney at Law, Center that the Democracy have nominated as fervot of rage and hate for antagonizing, that the lower down they got in the against the whole Radical organization, search for mere claptrap and the absence Grant is accepted as the leader of that of personal dignity and mental nobility, organization and swears fealty to it; and the more successful they would be be-fore the American people, that the non-'of both sides"!—the chief of the one nation by the Democracy of their most side pledging himself to sustain the redistinguished statesman, a gentleman construction of t'ongress, and he of the who would honor the leadership of any Cabinet in the world, astomshes their "Let us have peace"! What a peaceful

Legisialures.

We may fairly take it as a trick which the defining method of that debauchery of the American mind upon which they have relied for all their success. It would signally change the whole order of things for many years past, and bring back the American character to an almiration and support of those term is which are alcyating instead of degradation. We may fairly take it as a trick which it is decided to play, that the himptitudely conceived and begetten Legislatures of the seven "reconstructed states" will resolve to designate the Presidential Electors of those States. When they have alcyating instead of degradation and support of those term is the idea was broached by the carpet-baggers, who prayed for troops which are elevating instead of degrad-No wonder that the nomination of in the States they have the blasphemons An wonder that the nomination of Gov. Seymonr strikes the Radicals with terror! They have devoted themselves to a system of "leveling downward":

of a system of "leveling downward": and to get a "nigger" in the White White House would be alambound. But Florida has wheeled into line and set the example. would be abundoned. But Florida has

his horse first consul! Demoralization It says that "the vote of the reconis the only road by which a once free people can be reduced to ruin and despotism.
